

TELL-Seq™ Barcode Linked-Read Library Prep Kit

for Illumina® Sequencers

from Universal Sequencing Technology

WGS Library Prep Kit (2 boxes)

Item #	Qty	Description	Price
TEL-0000	ea.	WGS Library Prep Kit (2 boxes)	\$720

Reagents used to conduct between 4 (large genomes) to 12 (small genomes) and genomes from 1 MB to 5 GB. Comes as two boxes (stored at 4oC and -20oC).

Requires the TELL-Seq™ Illumina® Sequencing Primer Kit (TSP-0001) and a Multiplex Primer kit (TMP-000X) for complete libraries.

Illumina Sequencing Primer Kit

Item #	Qty	Description	Price
TSP-0001	ea.	Illumina Sequencing Primer Kit	\$55

Depending on the sequencing system, each kit will be good for from 2 to 16 sequencing runs. Store at -20oC.

Library Multiplex Primer Kit

Item #	Qty	Description	Price
TMP-0001	ea.	Library Multiplex Primer (1-8) Kit	\$125
TMP-0002	ea.	Library Multiplex Primer (9-16) Kit	\$125
TMP-0003	ea.	Library Multiplex Primer (17-24) Kit	\$125

Kit contains enough primers to be used with four TELL-Seq™ WGS Library Prep Kits. Store at -20oC.
